

Château Pichon Baron 2019

The 2019 Pichon Baron is quite closed on the nose, blackberry, bilberry and incense, with graphite and cedar developing with aeration. The palate is medium-bodied with fine tannins, not quite as finessed as Pichon Baron, but with great structure and density on the close. It needs a little more precision to develop on the finish but just give it time. Tasted blind at the Southwold annual tasting. Drink 2026 – 2060

Neal Martin, February 2023
