2018 Tement • Ried Zieregg GSTK Reserve IZ

Tement's 2018 Ried Zieregg GSTK Reserve IZ displays a vigorous yellow color as well as a dense, intense, woody nose with ripe, concentrated fruit. It is very present in contrast to earlier vintages, which, for all their fascination, were far more untamed and enigmatic in their youth. The wine is rich and lush on the palate but firmly structured, with clove and wood flavors, a dense and very concentrated texture and firm but fine tannins. This is an almost stunningly powerful, dense and substantial Sauvignon with great, aromatic and juicy length. As always, it is an exciting Sauvignon blend, in this case from a warm vintage with clear, very aromatic fruit. 13.5% stated alcohol. Vinolok closure. Tasted in Grafenegg in September 2022.

Drink Date: 2026 - 2050
