2018 Poggio al Sole • Chianti Classico Gran Selezione Casasilia

This organic wine offers a terrific performance with enhanced density and complexity. Made with only Sangiovese, the Poggio al Sole 2018 Chianti Classico Gran Selezione Casasilia (with 8,500 bottles made) shows a dark color and medium-rich concentration followed by spice, dark fruit, earth, blue flower and crushed mineral tones from schistous galestro soils. You get terrific depth and lasting power in this classic expression of Tuscany's leading grape.
