

Chateau Leoville Barton 2019

Drinking Window: 2024 - 2045

A dark nose here, savoury with animal tones, bramble fruits and leather nuances. The palate is excellent, grippy with tannins that just take hold and coat the mouth but underneath you feel there is such well defined fruit - a core of ripe blackcurrants and liquorice tinges. There is an elegance to this despite the mouthful of creamy tannins that are doing all the talking at the moment. This will be excellent in time. Sumptuous and utterly enchanting.
