

F. X. Pichler Riesling Kellerberg Smaragd 2019

Unbelievably deep and complex, yet so cool, precise and still, this is one of those rare wines that stops you dead in your tracks. Yes, there is super fine, peachy character here and yes, there's a ton of minerality. But the most important thing is the extremely graceful way in which it glides over the palate and out into the distance. Drink or hold.
