

Champagne Pol Roger Sir Winston Churchill 2015

The 2015 Brut Cuvée Sir Winston Churchill shows off the savory side of the vintage to great effect. Hints of dried pear, sage, mint, dried flowers, lemon oil and chamomile open gradually in this mid-weight, lithe edition of Pol Roger's tête de cuvée. The 2015 unfolds nicely with time in the glass, but I wouldn't think of opening a bottle anytime soon. Readers will find a nervy Winston Churchill marked by notable freshness and vigor more than size. This is a fine effort in a vintage that has proven to be far trickier than most observers originally envisioned. Dosage is 7 grams per liter. Disgorged September 2022.
