2017 Tement • Ried Zieregg Sauvignon Blanc

Bottled in late April 2019, the 2017 Ried Zieregg Sauvignon Blanc offers a deep and coolish, spicy, flinty and herbal, very intense but well-defined and elegant bouquet with interwoven fruit, juniper and stony aromas. Terribly deep and spicy, full-bodied and powerful, with great purity, lingering salinity and mineral tension, this is a dense and powerful, tightly knit and concentrated, phenolic, structured Zieregg with great aging potential. Tasted in May 2019.
