2015 Borgo Salcetano • Chianti Classico Gran Selezione I Salci

The oak-fermented 2015 Chianti Classico Gran Selezione I Salci is a robust and rich expression from a warm vintage. The blend here is 95% Sangiovese and 5% Canaiolo (aged in barrique for 30 months). This is a soft and accessible Tuscan red with fresh aromas of cherry and blackberry followed by spice, leather and moist gardening soil. This wine boasts a mid-weight approach with an extra dose of texture and volume in this sunny vintage. Only 5,300 bottles were made. There are some dry oak tannins on the close that still need time to integrate.

Drink Date: - 2026
