## **2019 Poggio al Sole**

- **Chianti Classico**

The organic 2019 Chianti Classico is 90% Sangiovese with tiny parts Merlot and Canaiolo from schistous galestro soils in Barberino Tavarnelle. This wine is remembered for its fine texture and the fresh quality of its aromas with dark fruit, earth and plum. This ends with an elegant, mid-weight mouthfeel. This is a production of 40,000 bottles.
