Chateau Fonréaud 2019

The 2019 Fonréaud felt a little reduced on the nose, but there is plenty of black fruit here with glimpses of blueberry and cassis.

The palate is very well balanced with succulent tannins, a superb line of acidity and impressive weight and depth towards the finish.

This is a very well crafted, almost “confident” Fonréaud that should age well. Superb.

Tasted three times with consistent notes.
