Château Léoville Barton 2019

The 2019 Leoville Barton is deep garnet-purple in color. It needs a fair bit of swirling to coax out wonderfully pure notes of blackcurrant jelly, wild blueberries, and boysenberries, followed by hints of tar, lavender, crushed rocks, and fragrant soil. The medium to full-bodied palate is an exercise in elegance, with very fine-grained, silt-like tannins and beautiful tension framing the highly nuanced black fruits, finishing very long and fantastically layered.

Lisa Perrotti-Brown MW, December 2023
