

## **Château Léoville Barton 2020**

The 2020 Léoville Barton is compelling. It offers up a gorgeous mix of vintage 2020 intensity married to the classicism Léoville-Barton have come to expect. Blackberry, graphite, dried herbs, menthol and dark spice abound. Whereas so many Saint-Julien are exuberant in 2020, Léoville-Barton is very much buttoned up, showing just a twinkle of mischief that lets you know the best is yet to come.
