F.X. PICHLER Grüner Veltliner Ried Kellerberg 2025

The 2025 Grüner Veltliner Kellerberg comes from south-facing terraces at the foot of the slope, with some loess on the gneiss, along with a few parcels from more shaded parts. The nose is smooth and cool, offering yeast, a touch of lemon and a tender herbal note reminiscent of lemon balm. On the palate, smoothness and saltiness take over, making the mouth water and adding a lovely smattering of crushed herbs and pepper to the yeasty texture. The finish tingles beautifully.
