F.X. PICHLER
GRÜNER VELTLINER
Ried Kellerberg 2024

The 2024 Grüner Veltliner Kellerberg comes from lower parcels of this site. Pear flesh and cream open on the nose, leading to a peppery, savory, tingling, creamy yeastiness on the palate. Concentrated, thrilling and bright, it is wonderfully expressive of white pepper. The body is elongated, concentrated and full of verve. One of the outstanding wines of this vintage, clean cut and superbly fresh.
